

# SKU Inventory Report

SKU Inventories are generally presented on magnetic media. Many customers, however, also require a printed copy of the data. These two sample reports are our most popular hard copy formats. Almost without exception, there is no additional charge for format requests.

Blue Chip Inventory Service, Inc.  
SKU Inventory Report (Sorted by Location)

Store: Your Store  
Address: 1000 Main Street  
Anytown

Job Number: 98576
